

UNION NEWS BUILDING (PROFESSIONAL BUILDING) - 1938 -
26 West Pennsylvania Avenue, Towson. Long, two-story,
flat-roofed commercial building in brick, functional in
style; designed to provide both offices and a ground
story for large flat-bed newspaper presses. The build-
ing was featured in a special issue of the Union News,
April 15, 1938. That peper later suspended publica-
tion. About 1989, the building was extensively rehabbed
inside.
